OPTIMIZE SPACE SIMPLIFY ORGANIZATION ELEVATE YOUR EVERYDAY

At ShelfGenie, we believe your spaces at home should make life easier. Our custom closet systems are designed to fit your space, your style, and your routine—making every inch work for you.

CLOSETS AND WARDROBES

When it comes to clothing, tailored storage solutions are crucial to finding that perfect outfit – quickly done when your clothes are optimally organized in your space. Our solutions for walk-in closets, reach-in closets, and wardrobe units are designed to meet your specific needs so your entire wardrobe continues to make you look great.

"Top-notch organization to work with, we loved our design consultant and installer. Craftsmanship was excellent!"

– Peter R.

PERSONALIZED LUXURY

Showcase your favourite pieces while keeping everything neatly tucked away. Choose finishes and configurations that reflect your style and elevate your home.

"Very professional from the designer to the installer. I received a top notch job, and I would recommend the highly,"

—Cheryl B.

"Great experience with our walk-in closet! The design maximized our space beautifully, and the installation was professional and detail oriented. Excellent quality."

— Marianne S.

WE MAKE EVERY SPACE FEEL LIKE **HOME**

With our custom-designed solutions, every room in your home has more organization, more access, and more room for joy.

More Storage, Better Use of Space

Turn underused walls or cluttered corners into high-functioning storage. Organize by season, colour, or style for instant visibility and access.

Built to Last

Our systems use premium materials designed to stand up to daily use—keeping your spaces looking great for years to come.

“ShelfGenie provides quality products with professional staff and installers. I recommend their services whole heartedly!”

— John D.

EASY ACCESS **EVERY DAY**

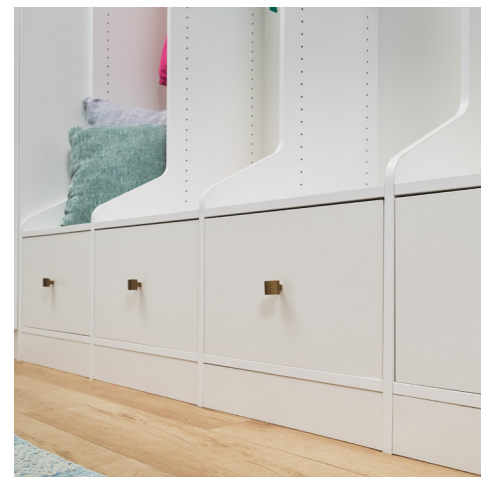

No more digging through drawers, our smart designs put everything within reach, making mornings faster and stress-free.

HANDCRAFTED. **CUSTOM-BUILT.** JUST FOR YOU.

Our team works hard to create high-quality, custom solutions that will improve your home—or any space—making life easier and more enjoyable.

HOW SHELFGENIE WORKS

ShelfGenie is committed to delivering storage solutions that make life easier and more organized. Our team is happy to work with you to determine the best storage options for your needs, and then schedule installation.

Here's how our easy 3-step process works:

- 1. Book a free, easy consultation.** Meet with one of our ShelfGenie designers at home to discuss your needs and create a 3D rendering of your storage solutions.
- 2. Let our team get to work.** Our designers will custom-build your storage solutions to spec, ensuring a perfect fit at home.
- 3. Enjoy professional installation.** Once your storage units have been built in our dedicated North American factory, a ShelfGenie-certified installer will visit your home to install your pieces.
